END OF AUCTION

Terms of Sale

1. Auction Basics. This is a public auction sale ("Auction Sale") conducted by licensed and bonded Auctioneers, Bowers & Merena Auctions (hereinafter referred to as "Auctioneer' and at times as "Bowers"). Bidding in this Auction Sale constitutes acceptance by you ("Bidder") of all the Terms and Conditions of Auction Sale stated herein. Bidders may include consignors who may bid and purchase lot(s) in the Auction Sale consigned by the consignor or by other consignors pursuant to their consignment agreement with Bowers ("Consignor" or "Consignors"). A Consignor that bids on their own lots in the Auction Sale may pay a different fee than the buyer's premium charged to all other buyers. Bowers reserves the right to include in any auction sale its own material as well as material from affiliated or related companies, principals, officers or employees. Bowers may have direct or indirect interests in any of the lots in the auction and may collect commissions. THE TWO PRE-CEEDING SENTENCES SHALL BE DEEMED A PART OF THE DESCRIPTION OF ALL LOTS CONTAINED IN THE CATALOGUE. Where the Consignor has repurchased a lot and the lot is either returned to the Consignor or otherwise dealt with or disposed of in accordance with the Consignor's direction, or pursuant to contractual agreement, Bowers reserves the right to so note in the prices realized or to omit a price from the prices realized. Bowers may hid for its own account at any auction. Bowers may have information about any lot that is not known publicly, and Bowers reserves the right to use such information, in a manner determined solely by Bowers and for the benefit of Bowers, without disclosing such information in the catalog, catalog description or at the auction. Bidder acknowledges and agrees that Bowers may not be required to pay a Buyer's Commission, or other charges that other Bidders may be required to pay and may have access to information concerning the lot(s) that is not otherwise available to the public. Any claimed conflict of interest or claimed competitive advantage resulting therefrom is expressly waived by all participants in the Auction Sale. Lot(s) may carry a Reserve. A Reserve is a confidential price or bid below which the Auctioneer will not sell an item or will re-purchase on behalf of the Consignor or for Bowers.

2. Descriptions and Grading. Bidder acknowledges that grading of most coins in this Auction have been determined by independent grading services, and those that are not are graded by Bowers. Grading of rare coins is subjective and may differ among independent grading services and among numismatists, even though grading has a material effect on the value of the coins. Bowers is not responsible for the grades assigned by independent grading services, and makes no warranty or representation regarding such grades. Bidder further acknowledges and agrees that grades assigned by Bowers and lot descriptions are based solely upon an examination of the coins and are intended to note any perceived characteristics. However, coin grading and perception are subjective. Bowers does not warrant the accuracy of such descriptions. All photographs in this catalogue are of the actual items being sold but may not be the actual size or to scale.

3. The Bidding Process. The Auctioneer may open or accept the bidding on any lot by placing a bid on behalf of the Consignor or his or her agent, a Bidder by mail, telephone, internet or telefax; or any other participant in the Auction Sale. The Auctioneer may accept or decline any bid, challenge to any bid or bidding increment, as the Auctioneer in its sole discretion shall determine. Bids must be for an entire lot and each lot constitutes a separate sale. No lot will be broken up unless otherwise permitted by the Auctioneer. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise. All material shall be sold in separate lots to the highest Bidder as determined by the Auctioneer. Auctioneer shall have the right in its sole and absolute discretion to adjudicate all bidding disputes and shall have the right, but not the obligation, to rescind the acceptance of any bid and place the lot(s) for Auction Sale again. Auctioneer's decision on all bidding disputes shall be binding and final. For the Mail and Internet Bidder's protection, no "unlimited" or "buy" bids will be accepted. When identical bids are received for a lot, preference is given to the first bid received as determined by the Auctioneer. A mail bid will take precedence over an identical floor bid; a Floor Bidder and Telephone Bidder must bid higher than the highest mail bid to be awarded any lot. Auctioneer reserves the right to refuse any bid, to reduce any mail bid received, to open the bidding of a lot at any level deemed appropriate by the Auctioneer and to determine the prevailing bid, at his sole discretion. THIS IS NOT AN APPROVAL SALE. Bidders who physically attend the Auction sale, either personally or through an agent ("Floor Bidders") should carefully examine all lots which they are interested in purchasing. Bidders who bid by telephone, either personally or through an agent, receive a similar benefit as Floor Bidders in being able to actively participate in the live Auction Sale ("Telephone Bidders"). Therefore, except as otherwise provided in these Terms and Conditions of Auction Sale, COINS LISTED IN THIS CATALOGUE GRADED BY PCGS, NGC OR ANACS CACHET, OR ANY OTHER THIRD PARTY GRADING SERVICE MAY NOT BE RETURNED FOR ANY REASON WHATSOEV-ER BY ANY BIDDER. For non-certified coins: If it is determined in a review by Bowers that there is a material error in the catalogue description of a non-certified coin, the lot may be returned if written notice is received by Bowers within seventy-two (72) hours of receipt of the lot(s). The lot(s) must be received by Bowers no later than fourteen (14) calendar days after the Auction Sale in the same condition the lot(s) were delivered to the Bidder, in their original, sealed containers. Late remittance constitutes just cause for revocation of all return privileges. All prospective Bidders who have had the opportunity to examine the lot(s) prior to the Auction Sale personally assume all responsibility for any damage that Bidder causes in connection with the lot(s). Bowers shall have sole discretion in determining the value of the damage caused, which shall be promptly paid by the prospective Bidder. BOWERS IS NOT RESPONSIBLE FOR ANY ERRORS IN BIDDING. A Bidder should make certain to bid on the correct lot and that the bid is the bid intended. Once the hammer has fallen and the Auctioneer has announced the winning Bidder, the Bidder is unconditionally bound to pay for the lot, even if the Bidder has made a mistake. Bowers reserves the right to withdraw any lot at any time, even after the hammer has fallen, until the Bidder has taken physical possession of the lot. No Bidder shall have a right to claim any consequential damages if a lot is withdrawn, even after the Auction Sale

4. Bidder Registration Required. All persons seeking to bid must have a catalogue and register to bid at the auction by completing a registration card or bid sheet. By submitting a bid, the Bidder acknowledges that Bidder has read the Terms and Conditions of Auction Sale, the descriptions for the lot(s) on which they have bid, and that they agree to adhere to these Terms and Conditions of Auction Sale. This agreement shall be deemed to have been made in California. The Bidder acknowledges that the invoice describing a lot by number incorporates the catalogue and Terms and Conditions of Auction Sale.

5. Prices, Payment and Delivery. A Buyer's Commission of eighteen (18%) on each individual lot will be added to all purchases made by Bidders, except for reacquisitions by Consignors, regardless of affiliation with any group or organization, and will be based upon the total amount of the final bid. However, if the purchaser pays for all invoiced lots from the sale in cash or by "cash equivalent" ("cash equivalent" is defined to include cashier's check or money order, approved check, wire transfer or other immediate bank transfer), the buyer's fee will be applied at a discounted rate of 15%. A reacquisition charge may apply to Consignors pursuant to a separate agreement, which may be higher or lower than the Buyer's Commission. Payment is due immediately upon receipt of notification. Payment is delinquent and in default if not made in good funds in full within fourteen (14) days of the Auction Sale, without exception. Unless otherwise agreed in writing, auction sales are strictly cash in U.S. funds payable through a bank in the United States. On any cash transaction or series of transactions exceeding \$10,000, Treasury Form 8300 will be filed. Contact Bowers for wiring instructions before sending a wire. Lots must be paid for the earlier of receipt of invoice or delivery. Lot(s) will not be shipped before funds are received by Bowers. Bowers reserves the right to decline to release lots for which good funds have not yet been received. On any accounts past due, Bowers reserves the right to extend credit and impose periodic charges. Bidder agrees to pay reasonable attorney's fees and cost incurred to collect on such past due accounts. We welcome payment by Visa, Mastercard, American Express or Discover. Bids will not be accepted from those persons under eighteen (18) years of age without a parent's written consent which acknowledges the Terms and Conditions of Auction Sale herein and agrees to be bound thereby on behalf of the Bidder. Bidders personally and unconditionally guarantee payment that are or become owed to Bowers. Bidders who have not established credit with Bowers must furnish satisfactory credit references or deposit at least twenty-five percent (25%) of their total bids for that Auction Sale session(s) or such other amounts as Bowers may, in its sole and absolute discretion, require before such bids will be accepted. Bowers will not assume responsibility for the shipping and packaging of certain larger items or items of a more fragile nature sold in this sale as determined by Bowers. It is the Bidder's responsibility to contact Bowers after the sale to make shipping and packaging arrangements. Due to the fragile nature of some lots, Bowers may be forced to charge additional shipping and handling. Lots indicated as being "framed" are shipped at the Bidder's risk. Taxes, postage, freight charges, if applicable, handling, insurance, the eighteen percent (18%) Buyer's Commission, and any other fees required by law to be charged or collected will be added to the invoice for any lot(s) that is invoiced to successful Bidders

California residents will be charged sales tax as well as bidders who pick up at this Auction without a valid Resale Certificate. Please note that the purchase of any coin or bullion lot(s) with a price, including the buyer's fee, in excess of One Thousand Dollars (\$1,000) (Maryland) and One Thousand Five Hundred Dollars (\$1,500) (California) is exempt from state sales tax. On any tax not paid by Bidder which should have been paid, even if not collected by Bowers by mistake, error, negligence or gross negligence, Bidder agrees to promptly pay the same on demand together with any interest or penalty that may be assessed. Title to any lot remains with Consignor, any secured party of the Consignor, or Consignor's assigns, as the case may be, until the lot is paid for in full by Bidder. Bowers reserves the right to require payment in full before delivering any lot to the successful Bidder. The RISK OF LOSS passes to the Bidder upon delivery of the lot(s).

Any and all claims based upon Buyer's failure to receive a purchased coin or lot, Buyer's receipt of a coin or lot in damaged condition, or otherwise related to delivery, must be received in writing by Bowers no later than forty-five (45) days after Buyer's payment for the coin or lot, regardless of whether the Buyer has received confirmation of shipment or not, or within 45 days of Sale if payment is not made within said time based upon preapproved credit or otherwise. Buyer may not receive notification of shipment; it is Buyer's obligation to make timely notification of any such claim. The failure to make a timely claim, time being of the essence, shall constitute a waiver of any such claim.

6. Financial Responsibility. In the event a successful Bidder fails to make payment when due, Bowers reserves the right, in its sole discretion, to rescind the sale or to resell the lot(s) in a commercially reasonable manner, which may include a public or private sale. Bidder agrees to pay for the reasonable cost of such a sale, together with any incidental costs of sale, including reasonable attorney's fees and costs, cataloguing and any other reasonable charges. Bidder grants to Bowers or its assignees the right to offset any sums due, or found to be due to Bowers, and to make such offset from any past, current, or future consignment, or purchases that are in the possession or control of Bowers; or from any sums due to Bidder by Bowers. Bidder further grants Bowers a purchase money security interest in such sums or items and their proceeds to the extent applicable, to secure all indebtedness due to Bowers, plus all accrued expenses, attorney fees, and costs, until the indebtedness is paid in full. Bidder grants Bowers the right to file a UCC-1 financing statement for such

items, to sign the statement as Bidder's attorney-in-fact, and to assign such interest to any affiliated or related company or any third party deemed appropriate by Bowers. If the auction invoice is not paid for in full when due per invoice terms, the unpaid balance will earn interest at the rate of one-and-one-half percent (1-1/2%) per month until it is paid in full. In the event this interest rate exceeds the interest permitted by law, the same shall be adjusted to the maximum rate permitted by law, and any amount paid in excess thereof shall be allocated to principal. Bidder agrees to pay all reasonable attorney's fees, court costs and other collection costs incurred by Bowers or any affiliated or related company to collect past due invoices or to interpret or enforce the terms hereof or in any action or proceeding arising out of or related to the Auction Sale. Bowers reserves the right to assign its interest to any third party. To the extent that the winning Bidder for any lot consists of more than one person or entity, each such person or entity is jointly and severally liable for all obligations of the Bidder, regardless of the title or capacity of such person or entity.

- 7. DISCLAIMER AND WARRANTIES. NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE OR IMPLIED ON ANY LOT. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY LOT EXCEPT FOR WARRANTY OF TITLE, AND IN THE CASE OF TITLE, AUCTIONEER IS SELLING ONLY THAT RIGHT OR TITLE TO THE LOT THAT THE CONSIGNOR MAY HAVE AS OF THE AUCTION SALE DATE. ALL LOTS ARE SOLD "AS IS" AND WITH ALL FAULTS. PURCHASER HEREBY ASSUMES ALL RISKS CONCERNING AND RELATED TO THE GRADING, QUALITY, DESCRIPTION, CONDITION, AUTHENTICITY, AND PROVENANCE OF A LOT.
- a. COINS LISTED IN THIS CATALOGUE GRADED BY PCGS, NGC OR ANACS CACHET, OR ANY OTHER THIRD PARTY GRADING SERVICE MAY NOT BE RETURNED FOR ANY REASON WHATSOEVER BY ANY BIDDER. For non-certified coins: If it is determined in a review by Bowers that there is a material error in the catalogue description of a non-certified coin, the lot may be returned if written notice is received by Bowers within seventy-two (72) hours of receipt of the lot(s). The lot(s) must be received by Bowers no later than fourteen (14) calendar days after the Auction Sale in the same condition the lot(s) were delivered to the Bidder, in their original, sealed containers.
- b. Any and all claims that an item is not authentic, must be made in writing to Bowers within seventy-two (72) hours days after receipt of the item.
- c. If an item or items are returned pursuant to the terms herein, they must be housed in their original, sealed and unopened container.
- d. Late remittance or removal of any item form its original container constitutes just cause for revocation of all return privileges.
- e. Grading or condition of rare coins may have a material effect on the value of the item(s) purchased, and the opinion of others (including independent grading services) may differ with the independent grading services opinion or interpretation of Bowers. Bowers shall not be bound by any prior, or subsequent opinion, determination or certification by any independent grading service.
- f. Questions regarding the minting of a coin as a "proof" or as a "business strike" relate to the method of manufacture and not to authenticity.
- g. All oral and written statements made by Bowers and its employees (including affiliated and related companies) are statements of opinion only, and are not warranties or representations of any kind, unless stated as a specific written warranty, and no employee or agent of Bowers has authority to vary or alter these Terms and Conditions of Auction Sale. Any alteration shall be effective only if in writing and signed by an officer of Bowers authorized to do so.
- h. Bidders shall have no recourse against the Consignor for any reason whatsoever.
- i. Bidder acknowledges that the rare coin market is speculative, unregulated and volatile, and that coin prices may rise or fall over time. Bowers does not guarantee that any customer buying for investment purposes will be able to sell for a profit in the future.
- j. Bidder acknowledges and agrees that neither Bowers, nor its employees, affiliates, agents, third-party providers or consignors warrant that auctions will be unimpaired, uninterrupted or error free and accordingly shall not be liable for such events.
- k. Any comments provided by David Hall do not necessarily reflect the opinion of Bowers and Merena. Any disagreement with David Hall's comments, or any error made by David Hall will not be a reason for a Buyer to return any lot whatsoever. All coins with David Hall comments are certified and graded by the Professional Coin Grading Service (PCGS). David Hall is the Founder and Director of PCGS.
- 8. Waiver and Release. Bidder, for himself, his heirs, agents, successors and assignces, generally and specifically waives and releases, and forever discharges Bowers, and its respective affiliates, parents, shareholders, agents, subsidiaries, employees, members of their respective boards of directors, and each of them, and their respective successors and assignces from any and all claims, rights, demands and causes of actions and suits, of whatever kind or nature, including but not limited to claims based upon Auctioneer's negligence, whether in law or equity, whether known or unknown, suspected or unsuspected, which Bidder may claim to have with respect to and/or arising out of, or in connection with any challenge to the title to any goods purchased, the sale itself, any lot bid upon or consigned, and/or the auction, except where such reimbursement is otherwise authorized in these Terms and Conditions of Auction Sale. It is the intention of Bidder that this waiver and release shall be effective as a bar to each and every claim, demand, cause of action and suit that may arise hereunder or be related to the Auction Sale, and Purchaser hereby knowingly and voluntarily waives any and all rights and benefits otherwise conferred upon him by the provisions of Section 1542 of the California Civil Code, which reads in full as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR."

- 9. Disputes. If a dispute arises concerning ownership of a lot that has been bid upon or concerning proceeds of any sale, Bowers reserves the right to commence a statutory interpleader proceeding at the expense of the Consignor and successful Bidder and any other applicable party, and in such event shall be entitled to its reasonable attorneys' fees and costs. Bowers reserves the right to cancel or postpone the Auction Sale or any session thereof for a reasonable period of time for any reason whatsoever. No Bidder shall have any claim as a result thereof, including for incidental or consequential damages. Neither Bowers nor any affiliated or related company shall be responsible for incidental or consequential damages. quential damages arising out of any failure of the Terms and Conditions of Auction Sale, the auction or the conduct thereof and in no event shall such liability exceed the purchase price, premium, or fees paid. If the Bidder fails to comply with one or more of these Terms and Conditions of Auction Sale, then, in addition to all other remedies which it may have at law or in equity, Bowers may at its sole option either (a) rescind the sale, retaining all payments made by Bidder as liquidated damages, it being recognized that actual damages may be speculative or difficult to compute, or (b) sell a portion or all of the lot(s) held by Bowers, in a quantity sufficient in the opinion of Bowers to satisfy the indebtedness, plus all accrued charges, and Bowers may sell such portion at an auction sale or private sale conducted by Bowers and charge a seller's commission that is commercially reasonable. More than one such sale may take place at the option of Bowers. Notice of the sale shall be by U.S.P.S. Certified Mail, Return Receipt Requested to the address utilized on the Bid Sheet, Auction Consignment and Security Agreement or other last known address by Bowers. The proceeds shall be applied first to the satisfaction of any damages occasioned by Bidder's breach, then to any other indebtedness owed to Bowers, including without limitation, commissions, handling charges, the expenses of both sales, reasonable attorneys' fees, costs, collection agency fees and costs and any other costs or expenses incurred. Bidder shall also be liable to Bowers if the proceeds of such sale or sales are insufficient to cover the indebtedness. Rights granted to Bidders under the within Terms and Conditions of Auction Sale are personal and apply only to the Bidder who initially purchases the lot(s) from Bowers. The rights may not be assigned or transferred to any other person or entity, whether by sale of the lot(s), operation of law or otherwise. Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred by these Terms and Conditions of Auction Sale.
- 10. General Terms. These Terms and Conditions of Auction Sale and the auction shall be construed and enforced in accordance with, and governed by, the laws of the State of California, regardless of the location of the Auction Sale. Any dispute arising out of or related to these Terms and Conditions of Sale, the Auction Sale or any lot, with the sole exception of actions by Bowers to collect the purchase price and other damages, shall be submitted to binding arbitration pursuant to the rules of the Professional Numismatics Guild ("PNG"). Bidder acknowledges and agrees that the competent courts of the State of California shall have exclusive jurisdiction, subject to the requirement to arbitrate, over any dispute(s) arising hereunder, regardless of any party's current or future residence or domicile. Bidder further agrees that venue shall be in arbitration or the Superior Court in Orange County, in the State of California. Bidder agrees that any arbitration or legal action with respect to this Auction Sale is barred unless commenced within one (1) year of the date of this Auction Sale. These Terms and Conditions of Sale and the information on the Bower's website constitute the entire agreement between the parties hereto on the subject matter hereof and supersede all other agreements, understandings, warranties and representations concerning the subject matter hereof. If any section of these Terms and Conditions of Auction Sale or any term or provision of any section is held to be invalid, void, or unenforceable by any court of competent jurisdiction, the remaining sections or terms and provisions of a section shall continue in full force and effect without being impaired or invalidated in any way. Bowers may at its sole and absolute discretion, make loans or advances to Consignors and/or Bidders.

GOLD COINS

First Dated Gold Coin of Mexico

6089

6089 Escudo, 1679 (J). Charles II (1665-1700). Fr-5; KM-50. The Mexico City Mint was the first mint to produce coins in the New World. It began the striking of silver coins in 1536 and copper coins in 1542, during the reign of Carlos and Johanna of Spain. Despite several requests, the authorization to produce gold coins was not granted until much later during the reign of Charles II. The official decree for gold coinage was granted February 25, 1675; however, the first gold coins were not struck until December 23, 1679 (Pradeau, pg.46). No gold coin bearing the date 1679 was known until the discovery of this 1 Escudo. Prior to the discovery of this example 1680 was the earliest confirmed date for gold issues of Mexico. Currently the only denomination know for this date and UNIQUE as such. The first dated gold coin of Mexico and North America. Evidence of mounting from use in jewelry, light polishing. Remarkable Spanish Gold Bar Recovered from the Atocha

SPANISH COLONIAL

6744 Gold Bar Recovered from the Nuestra Senora de Atocha, Sank September **6, 1622.** 8" x 1.25" x 0.75"; 1,294 gms, 16.75 ct gold, 41.54 Troy ounces actual gold.

Four fineness stamps in Roman numerals evenly distributed across the face of the bar, as well as the typical XVI with three lines confirming the fineness etched. Six partial round tax stamps and assayers stamp. Clipping and Assay bites at both ends, done contemporarily to verify the bars fineness prior to stamping.

Atocha gold bars are among the most sought after of all shipwreck gold bars. A very attractive example with multiple stamps. A small amount of sea coral still adhering to crevices on the reverse. Light etching from salt water, otherwise nearly as made.

Accompanied by original certificate of authenticity from Treasure Salvors, Inc. TSI Number: 85A-GB055

WORLD PAPER MONEY

AFGHANISTAN

7001 2 to 100 Afghanis, SH1315 (1936). P-15r to 20r. 6 pieces in lot. Remainders. A pleasing set of remainders for this beautifully engraved design. Each note shows deep color and crisp paper with embossing evident on each. Underrated when found this nice. CHOICE UNCIRCULATED. \$700-\$1000

7002 2 to 20 Afghanis, SH1315 (1936). P-15r to 18r. 4 pieces in lot. A nice short set of remainders with only the two higher denominations not included. CHOICE UNCIRCULATED. \$250-\$350

7003 500 Afghanis, SH1318 (1939). P-27. A colorful and bright 500 Afghanis note which shows with clear definition of the design. CHOICE EXTREMELY FINE. \$1500-\$2000

7004 1,000 Afghanis, SH1318 (1939). P-27A. Although slightly a lower grade than the previous 500 Afghanis note, this piece is significantly more challenging to locate. Nice inks throughout illuminate the design and only light pressing and some minor margin distractions are noticed. VERY FINE. \$1500-\$2000

7005 1,000 Afghanis, SH1327 (1948). P-36. A terrific note, which would be hard to improve upon, as this piece shows nice inks throughout with well embossed paper. Scarce in this pleasing of a grade. CHOICE UNCIRCULATED.

\$800-\$1200

7006 500 Afghanis, SH1340 (1961). P-41a. A pleasing note with nice color and only traces of handling seen. UNCIRCULATED. \$100-\$150

ANGOLA

7007 5 Angolares, 14.8.1926. P-66. A scarce Provincia De Angola note which will surely grab collector attention as this piece retains original paper and is free from problems other than honest circulation and a pair of small splits at the top and bottom of the vertical center fold. CHOICE FINE....\$300-\$500

ARGENTINA

7009 Banco de La Provincia De Buenos Aires. 2 Pesos Fuertes, 1.1.1871. P-S525p. Face proof. A lovely proof note of one of the more challenging denominations for the series. This piece shows the dog head at center with Rodriguez at left. Centering alone are the only reasons we feel this note did not Gem at PMG. PMG CHOICE UNCIRCULATED 63 EPQ. \$400-\$600

7010 Banco de La Provincia De Buenos Aires. 20 Pesos Oro, 8.11.1881. P-S540p. 2 pieces in lot. Face and back proofs. A very beautifully designed note which shows the face in black and white making the vignettes show with excellent contrast. This catalog number is unknown in issued form and is typically only seen in this proof format as specimens are quite tough. The face is PMG graded while the back is raw and Uncirculated. A deep brown hue highlights the reverse which features a geometrically intense design. The SCWPM lists a price of \$2,250.00 for this proof which we feel is slightly optimistic. PMG CHOICE ABOUT UNCIRCULATED 58.

IRAN

7422 10 Tomans, 11.10.1927. P-14. IRAN

7424 20 Tomans, 6.12.1924. P-15. A gorgeous note which shows Payable at Teheran Only at the upper and lower borders and bears a date of the first year this design was issued. The date is also interestingly in a different font then seen with later issues. It is seen having a small print with thin letters and numbers as opposed to the bulky large stamped date of later years. The quality of this item is also quite noteworthy as the color jumps out to the onlooker with deep purple and red inks making up the stunning face and back designs. Other then a light pressing, problem free paper is found which is always sought after by collectors. A terrific low serial number of E/C 001,873 is also mentioned which will do nothing but strengthen the appeal of this desirable note. VERY FINE. \$10,000-\$15,000

Another P-8a note is represented with a dark brown under print and is in a lightly pressed Fine grade. P-8b 10 Pesos is also included in an original VF state. The first of the two 20 Pesos notes with the Hord signature is seen in a VG state with only a clip rust stain to mention. The last note which is the 20 Peso Sendres signed piece is pleasing VF with nice detail and original paper. A great group with all varieties for the two catalog numbers represented. VERY GOOD TO ABOUT UNCIRCULATED. \$150-\$250

7670 50 Pesos, 1.1.1912. P-10a. A tough note in any state of preservation that has the appeal of a Fine note with just a bit too much circulation to justify the full grade. A typical bleed through is mentioned but aside from this nearly always seen flaw the note is problem free. We sold a Very Fine this January of the same catalog number which realized \$690.00. While this note is not quite at that level we will still expect spirited bidding. VERY GOOD. \$300-\$500

7671 50 Pesos, 1.1.1912. P-10b. The second signature variety for this scarce 50 Pesos Bank of the Philippine Islands note. A single pinhole is also mentioned for complete accuracy. FINE.......\$250-\$350

7672 100 Pesos, 1.1.1912. P-11a. This is the tougher 100 Pesos note which displays the Jno S. Hord signature and will seldom be seen in any grade. It was a piece missing from the offering we had in New York earlier this year and will surely excite collectors. Mostly even circulation is seen which provides nice detail of the design. The overprints are slightly faded and some clip rust is seen. Aside from scattered pinholes and the above mentioned, this note remains very attractive for the grade. VERY GOOD.

7673 100 Pesos, 1.1.1912. P-11b. Another scarce higher denomination note from this early issue which shows with a nice green under print and defined overprints. Even circulation is noted and this piece verges on the next grade. A bit of clip rust in the lower margin and some ink on the reverse is mentioned for complete accuracy. Stunning 1912 200 Pesos

PHILIPPINES

7674 200 Pesos, 1.1.1912. P-12. This note is one which will cause great excitement among collectors as it is surely the most pleasing to have ever come through our office. Typically seen in very low grades with several problems, this note goes against that trend. Problem free original paper is seen along with a vibrant yellow-gold under print. Three vertical folds make up most the circulation and one could argue this piece may well be the finest known as the SCWPM lists value only to the Fine grade. A low serial of B133 is also noted which is about 500 notes before the piece we sold this January which realized \$2185.00 in a Very Good-Fine grade. VERY FINE....\$2000-\$3000

7675 5, 10 & 20 Pesos, 1.1.1920. P-13, 14 & 15. 3 pieces in lot. A complete set of the 1920 Bank of the Philippine Islands notes which shows each piece in a pleasing state. The Five Peso note is a Very Fine with original paper and only small bit of soiling to mention. The 10 shows as an EF with nice embossing and the appeal of a higher grade. Lastly the 20 Pesos note is also EF with stunning color and pleasing original paper. A great trio which will surely be well received. VERY FINE TO EXTREMELY FINE. \$150-\$250

7676 5, 10, 20 & 20 Pesos, 1.1.1928. P-16 to 19. 4 pieces in lot. Another lovely group of notes which continues this intricate gathering we are offering. The Five Peso note is VF with pleasing original paper and the appeal of a higher grade. The 10 Pesos piece is AU and shows with only a light vertical bend and some handling while having original paper and great color. Lastly the 20 Pesos note is a Fine and has generally even circulation with only a pair of clip rust stains to mention. FINE TO ABOUT UNCIRCULATED. \$100-\$150
